

Bradstreet Neighborhood Craftshouse

Cocktail Classes

A one of a kind cocktail experience!

Go behind the bar with the drink makers at Bradstreet Neighborhood Craftshouse.

Come, hang out and let us teach you about the craft behind the cocktail.

The history. The technique. The ingredients. And, the presentation.

Our bartenders will walk you through the creation of a cocktail, step-by-step.

And then you get a chance to step behind the bar and have a hands on learning experience crafting and tasting your own drink.

After the class is over, we will send you home with recipe cards for each drink taught in the class that day, and some tools to help you mix things up at home.

For pricing info and available classes please call Ryan at 612-871-1200.
